TEACHER QUALITY

Teaching Like a Pro: What It Looks Like
Dr. Andrew Hargreaves

Watch the video individually or with a team.

AFTER WATCHING THE VIDEO, DISCUSS AND ANSWER THESE QUESTIONS:

- How do the standards for teachers at your school compare to the standards Dr. Hargreaves says are necessary to “teach like a pro”?
- How able is your school system to attract high-quality teachers? Why do you think this is so?
- Are high levels of trust evident in the ways teachers currently work with one another and with school administrators? Why do you think this is so?
- Are teachers invested in their own professional growth?
 - Do they invest in their own learning?
 - Do they conduct Action Research?
 - Do they connect with national movements?

NOW, PUT WHAT YOU'VE LEARNED TO WORK:

- Review your team’s responses to the discussion questions outlined above. Select one high-leverage action that could help teachers at your school become even better than they are now.
- Make a plan to implement this action. Include all specific steps and describe the data you will collect to monitor implementation. Include these steps in your improvement plan.
